FORCE-FREE DOG TRAINING + BEHAVIOUR

## BEHAVIOUR & TRAINING CONSULTATION RATES & PACKAGES

Welcome to the journey of unlocking your dog's full potential! Learn in the comfort of your home with a qualified animal behaviourist. Your dog will undergo a comprehensive emotional and behavioural assessment, followed by a personalised behaviour plan as well as a WhatsApp recap or written report tailored specifically for you & your dog. I'll be there every step of the way, offering unwavering support and guidance whenever you need it via WhatsApp or email. I'm not only here to help your dog but to offer my support to you as their guardian.
